Item 1.01 Entry into a Material Definitive Agreement.

On January 5, 2017, Grand Isle Corridor, LP (“Grand Isle”), a wholly owned subsidiary of CorEnergy Infrastructure Trust, Inc. (the “Company”), executed two agreements, both effective as of December 30, 2016, in connection with the Chapter 11 bankruptcy of Energy XXI USA, Inc. (“EXXI USA”) and Energy XXI Ltd (“EXXI”). While the tenant of the Company’s Grand Isle Gathering System (“GIGS”) remained outside the bankruptcy process and continued honoring its lease, a new entity established by the restructuring plan has become the guarantor of certain obligations owed to Grand Isle.

In order to reflect creation of the new entity, Energy XXI Gulf Coast, Inc. (“EXXI GC”), effective December 30, 2016, EXXI USA, EXXI GC, and Grand Isle entered into an Assignment and Assumption Agreement whereby EXXI GC has assumed the rights and obligations of EXXI USA under the original Purchase Agreement for the GIGS, dated June 22, 2015 (the “Purchase Agreement”). Also effective December 30, 2016, EXXI, EXXI GC, and Grand Isle entered into an Assignment and Assumption of Guaranty and Release, whereby the rights and obligations of EXXI under the Guaranty dated June 30, 2015 (the “Guaranty”) between EXXI and Grand Isle were assigned to and assumed by EXXI GC and EXXI was released and discharged from all obligations relating to such Guaranty.

The reorganization will not trigger any amendments to any of the economic terms of the lease between Grand Isle and the tenant of the GIGS and, apart from the substitution of parties described above, did not result in any changes to the terms of the Purchase Agreement or the Guaranty.

In addition, on January 5, 2017, Pinedale Corridor, LP, a wholly owned subsidiary of the Company and landlord of the Company’s Pinedale Liquid Gathering System, entered into an Amended and Restated Limited Guaranty of Collection (the “Amended Guaranty”), effective November 28, 2016, with Ultra Resources, Inc. The Amended Guaranty amends and restates the original Guaranty dated December 20, 2012 and was negotiated and agreed to at the time of the settlement agreement reached concerning the claims the Company had in the Ultra Petroleum Corp. bankruptcy proceedings.

The foregoing description of the material terms of the foregoing agreements does not purport to be complete and is subject to, and is qualified in its entirety by, reference to such agreements, which will be filed as exhibits to the Company’s Annual Report on Form 10-K for the year ended December 31, 2016.
